

HOW TO REGISTER WITH OUR SUPPORT COMPANY IN THE ARISE PLATFORM!

1. Go to <https://register.arise.com/>
2. Enter your email (*Use a Gmail account*, if you don't have one-they are free), username, and password.

A screenshot of a web browser showing the registration page for the Arise platform. The browser's address bar displays a long URL starting with 'oauth.arise.com'. The page title is 'Register on the Arise® Platform'. On the left, there are three input fields: 'Email Address' with the placeholder 'Enter your email address', 'Username' with 'Create a professional username', and 'Password' with 'Create a password'. Below these is a green 'Get Started' button. Under the button, there is a link 'Already have an account? Log In' and a question 'Is the Arise® Platform available in my location?'. On the right side of the page, there is a portrait of a woman with curly hair and glasses, with a quote overlay: '“The Arise® Platform has given me peace of mind because I can choose my own schedule and not feel like I’m missing out on the rest of my life. There are opportunities for everyone on this platform.”' and the text 'Cee Cee - a Service Partner using the Arise® Platform'. At the bottom, the Arise logo is visible, followed by the text '© Arise Virtual Solutions, 2025. All Rights Reserved'.

6. Enter our referral code: 868147- Make sure to click submit!

The screenshot shows the Arise registration page with the 'Referral Code' tab selected. The main heading is 'Do you have a referral code?'. Below it, there is a 'Referral code' input field containing '868147', a blue 'Submit' button, and a link 'I don't have a referral code'. A large red arrow points to the 'Submit' button. At the bottom, there are two buttons: 'Back: Basics' and 'Next: Contact Details'. The Arise logo is at the bottom center.

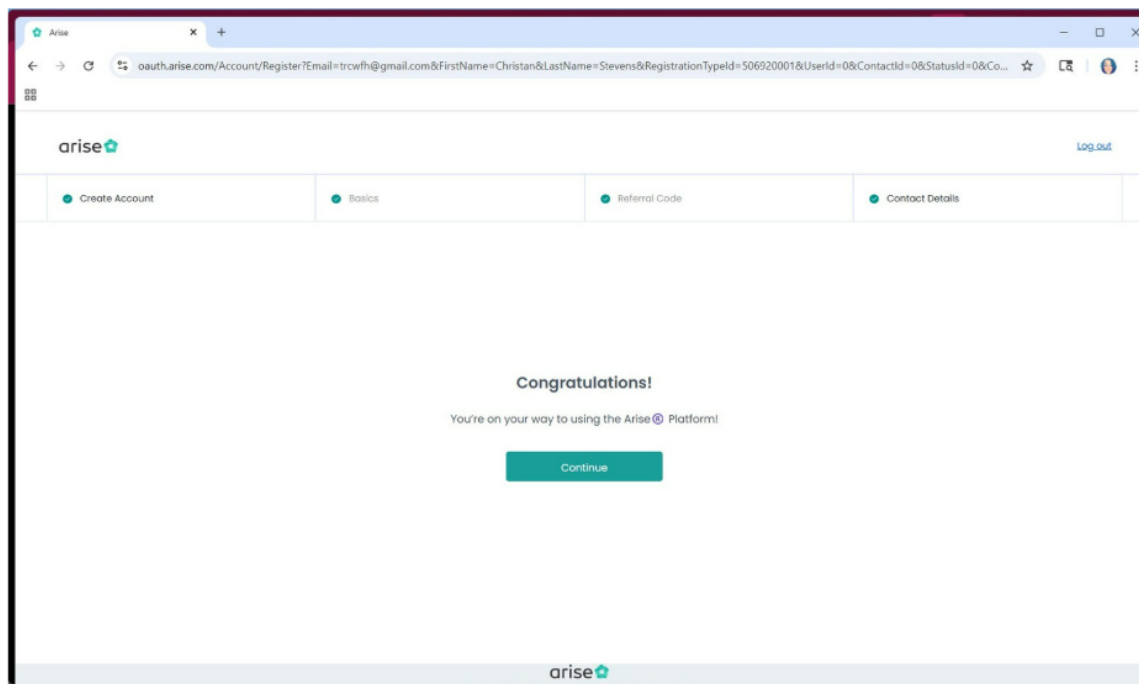

7. Enter your contact information.

When you start typing on the address screen, it will auto populate your address.

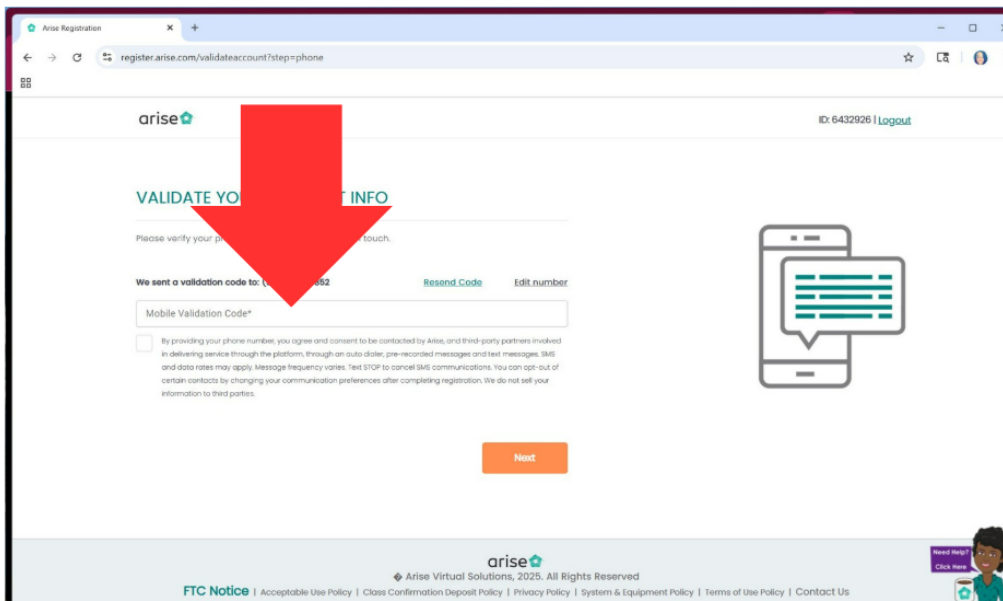

The screenshot shows the Arise registration page with the 'Contact Details' tab selected. The main heading is 'What is your contact information?'. The form includes fields for 'Country' (United States), 'Address' (with a dropdown menu and a red error message 'Address Line 1 is required.'), 'City' (with a red error message 'Please enter your city.'), 'Zip Code' (with a red error message 'Please enter your zip code.'), 'Address Line 2', 'State' (Alabama), and 'Mobile phone' (with a red error message 'Please enter your mobile phone.'). At the bottom, there are two buttons: 'Back: Referral Code' and 'Next'. The Arise logo is at the bottom center.

8. Click continue to move forward to the two-factor security setup.

9. Enter your mobile number and check for a code that will be sent via text message for validation. Enter the code in the text box.

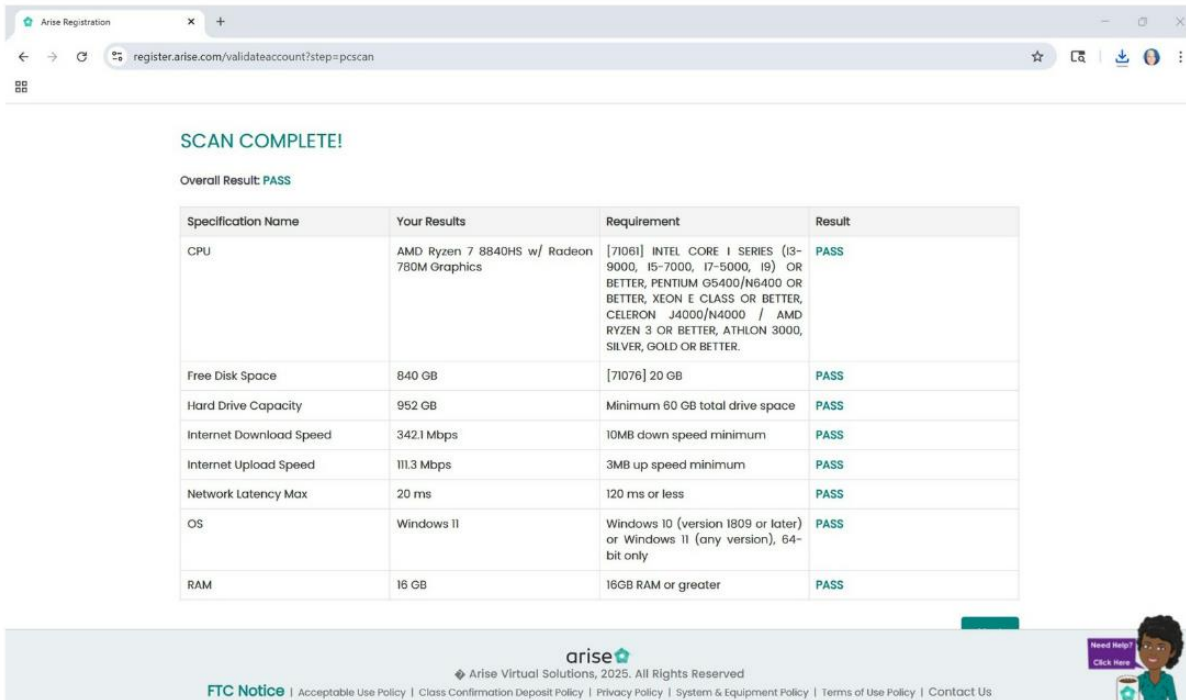

10. Complete the Initial PC Scan: This scan is conducted by Arise to verify that your system meets the *minimum platform requirements*. At this stage—since it's just for registration—you don't need to be hardwired; a wireless connection is fine. Before starting, it's recommended to disable any pop-up blockers to ensure the scan runs properly.

Please note: Once you begin enrollment in a client certification program, you'll be required to complete a second, *client-specific* PC scan that may have additional requirements.

The image shows a web browser window displaying the Arise Registration page at register.arise.com/validateaccount?step=pcscan. The page header includes the Arise logo, a "PC Scan" tab, and user information: ID: 6432926, Username: Christian Stevens, and a "Log Out" link. The main heading is "COMPLETE YOUR PC SCAN TO PROCEED". Below this, there is a detailed explanation of the PC Check, instructions on how to run it, and a list of minimum system requirements. A "Run PC Scan" button is visible at the bottom right of the page.

Overlaid on the bottom half of the browser window is a "Hardware Detection" dialog box from the "System Requirements Lab". The dialog box has a title bar with "System Requirements Lab" and "Hardware Detection". It features a large green checkmark icon and the text "All Done". Below this, it says "We've finished gathering the system information. Please refer back to your browser to see the results." and includes an "Exit in 1..." button. The background of the dialog box shows a list of system specifications being checked, including CPU, RAM, Hard Drive Capacity, Internet Download Speed, Internet Upload Speed, Network Latency Max, OS, and RAM (4GB minimum).

11. Once the PC Scan begins, it will automatically evaluate your system against the required specifications. After completion, you'll receive a detailed report showing which components passed or failed. If any section does not meet the requirements, please don't hesitate to contact us—we're happy to explore potential adjustments or help you find suitable alternative equipment options.

The screenshot shows a web browser window with the URL `register.arise.com/validateaccount?step=pcscan`. The page displays a 'SCAN COMPLETE!' message and an 'Overall Result: PASS'. Below this is a table with four columns: 'Specification Name', 'Your Results', 'Requirement', and 'Result'. The table lists various system specifications and their corresponding results, all of which are 'PASS'.

Specification Name	Your Results	Requirement	Result

There is also a 'Need Help? Click here' button with a cartoon character icon.

12. **Next Step: Harver Assessment** As part of the Arise registration process, you'll complete the **Harver Assessment**—a required step to help match you with opportunities on the platform that suit your strengths.

This brief online evaluation includes: • **Situational Judgment – how you respond to customer service scenarios** • **Personality Fit** – alignment with remote work and client interaction • **Grammar & Vocabulary** – basic language proficiency

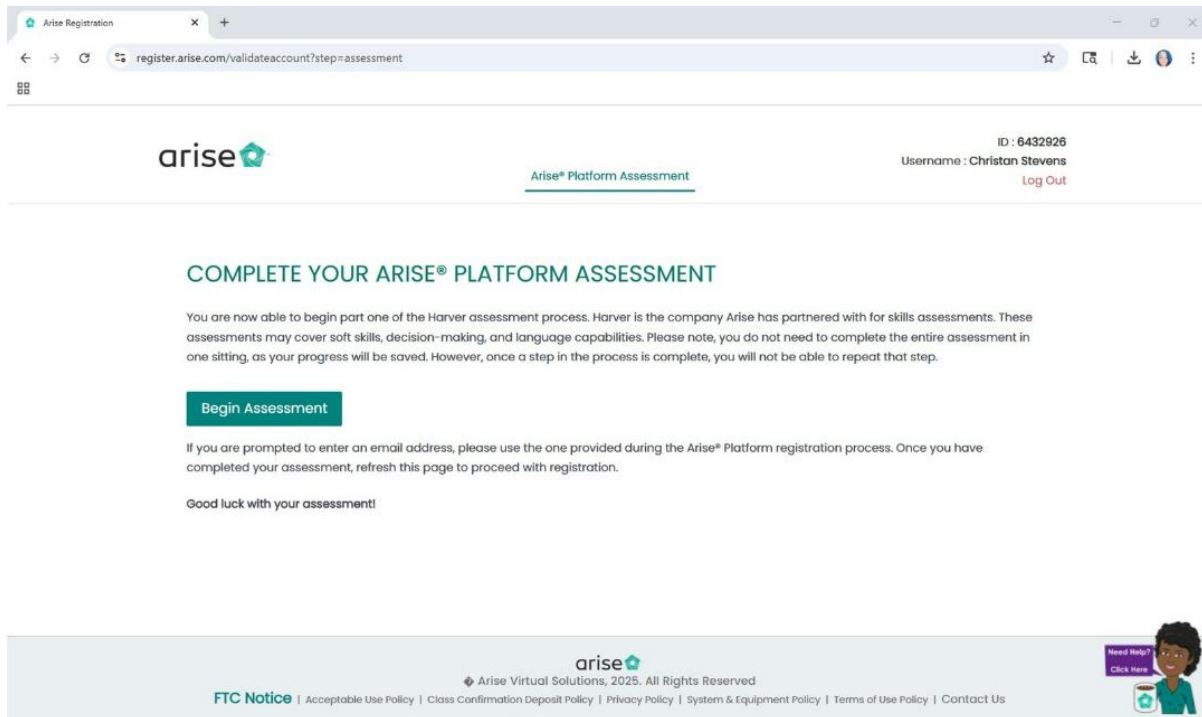

There's no need to study or stress—there are no trick questions. Just stay present, answer honestly, and give it your best. The assessment typically takes **30–45 minutes** and must be completed in one sitting, so find a quiet space free of distractions before you begin.

Tip: This assessment plays a big role in what client opportunities you see later. Take your time and do your best — first impressions matter! Make sure to review the sections below prior to physically taking the assessment on your portal.

After Completion: Once you've finished the Harver Assessment, you'll receive a confirmation, and your portal will begin updating with available opportunities tailored to your results.

Important Reminder: If you do not pass the assessment, you'll need to wait **90 days** before attempting it again—so take your time and do your best.

When you're ready, click **Begin Assessment** to get started.

The screenshot shows a web browser window with the URL `register.arise.com/validateaccount?step=assessment`. The page header includes the Arise logo, a link to 'Arise* Platform Assessment', and user information: ID: 6432926, Username: Christian Stevens, and a 'Log Out' link. The main heading is 'COMPLETE YOUR ARISE® PLATFORM ASSESSMENT'. Below this, a paragraph explains that the user can begin part of the Harver assessment process, which covers soft skills, decision-making, and language capabilities. It notes that progress is saved but steps cannot be repeated. A prominent green 'Begin Assessment' button is displayed. Below the button, instructions state that if prompted for an email address, the user should use the one provided during registration and refresh the page after completion. A 'Good luck with your assessment!' message follows. The footer contains the Arise logo, copyright information for Arise Virtual Solutions, 2025, and a list of links: FTC Notice, Acceptable Use Policy, Class Confirmation Deposit Policy, Privacy Policy, System & Equipment Policy, Terms of Use Policy, and Contact Us. A 'Need Help? Click Here' link with a user icon is also present.

COMPLETE YOUR ARISE® PLATFORM ASSESSMENT

You are now able to begin part one of the Harver assessment process. Harver is the company Arise has partnered with for skills assessments. These assessments may cover soft skills, decision-making, and language capabilities. Please note, you do not need to complete the entire assessment in one sitting, as your progress will be saved. However, once a step in the process is complete, you will not be able to repeat that step.

13. The Harver assessment will open in a new window on your browser. You will need to review the page and consent to the assessment on the main page.

14. Watch the video that goes over the Harver assessment.

15. **Tip: Leave This Page Blank (If Possible)** When asked, **“When are you NOT available to work?”**—pause and read carefully. This section impacts the types of client opportunities you’ll be able to view later based on your Harver Assessment results.

Unless there are **specific days or times you are absolutely unable to work**, it’s strongly recommended to **leave this section blank** for now. Doing so allows you to keep your options open and review all potential client courses. You can always narrow your availability once you’ve had a chance to consider which clients align with your needs.

Take your time, you’re setting yourself up for success!

The screenshot shows the 'When are you NOT available to work?' section in the Arise app. The title is 'When are you NOT available to work?' with a subtitle 'Do NOT "Select All". (Selecting all means you can not work any shift.)'. There are 'Clear all' and 'Select all' buttons. Below are checkboxes for Monday, Tuesday, Wednesday, and Thursday. Each day has four time slot options: Morning (06:00am - 12:00pm), Afternoon (12:00pm - 06:00pm), Evening (06:00pm - 12:00am), and Night (12:00am - 06:00am). Red arrows point to the title and the 'Select all' button.

16. You will be asked to confirm your submission of times.

The screenshot shows the 'Arise Registration' 'Availability' page. The page has a header with the Arise logo, a 'Help' link, and a 'Log out' link. The main content area displays a grid of time slots for Friday, Saturday, and Sunday. Each day has four slots: Morning (06:00am - 12:00pm), Afternoon (12:00pm - 05:00pm), Evening (05:00pm - 12:00am), and Night (12:00am - 06:00am). A modal dialog box is centered on the screen, displaying a warning icon and the text: 'You haven't selected any times. Are you sure you want to continue?'. The modal has 'Cancel' and 'Continue' buttons. A 'Continue' button is also visible at the bottom of the page.

17. Complete the questionnaire about servicing (aka working).

The screenshot shows the 'Arise Registration' 'Personal Information' page. The page has a header with the Arise logo, a 'Help' link, and a 'Log out' link. The main content area features a questionnaire titled 'Additional Info'. The questions are: 'How quickly do you want to begin servicing?' with a dropdown menu showing 'Choose answer'; 'How did you learn about Arise® Platform?' with a dropdown menu showing 'Choose answer'; and 'If you selected Other above, please provide details here. (Optional)' with a text input field showing 'Write your answer'. A 'Continue' button is located at the bottom of the questionnaire. The page is decorated with images of a living room and a man talking on a phone.

18. Final Step: Complete the Remaining Questions Thoughtfully As you move through the rest of the registration process, keep in mind: *your responses play a key role in shaping your registration score and determining which client opportunities you'll be matched with.*

Answer honestly and thoughtfully—authenticity is your best strategy. The system is designed to help align you with clients that are the right fit for your strengths and preferences.

Help Log out

Tell us more. Please keep in mind that, in addition to your assessment scores, the preferences you select may limit the opportunities available to you on the Arise® Platform.

Which statement do you most identify with?

☐ I prefer a more predictable schedule, working a similar number of hours each week

☐ For me, each day looks different. My schedule will change day by day and week by week

How many hours are you interested in servicing per week?

Choose answer

Which program areas or customer experience channels do you have a high level of experience in?

☐ Automotive / Roadside Assistance

☐ Consumer Goods

☐ Cryptocurrency

☐ Finance & Insurance

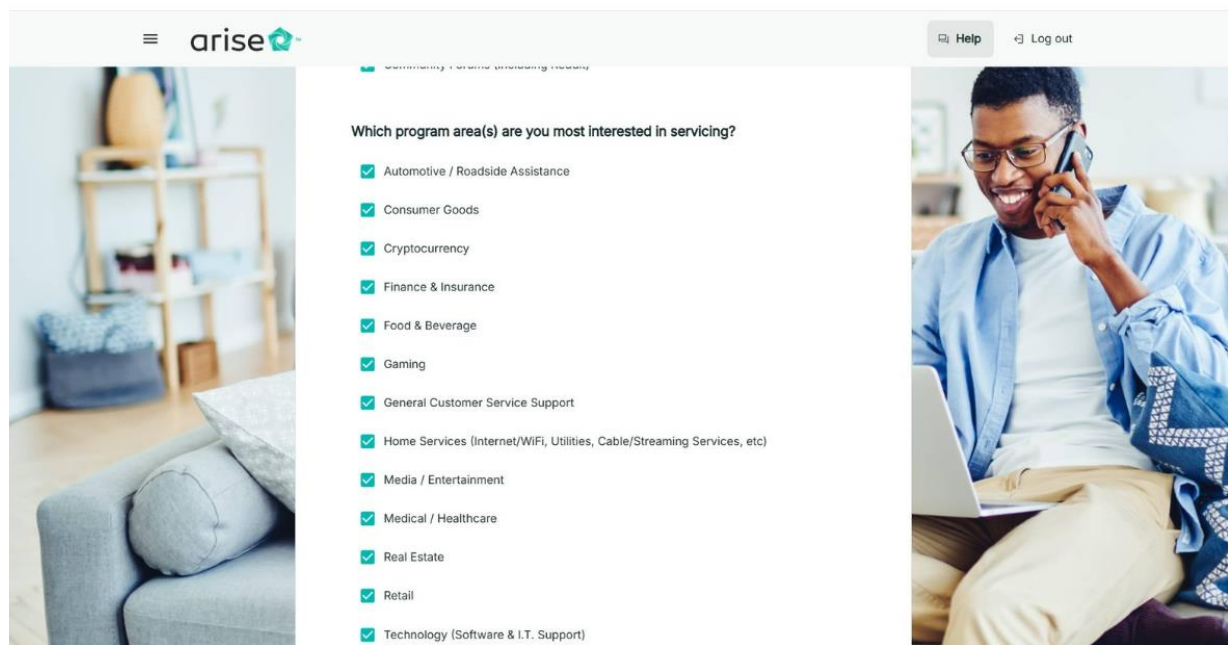

☐ Food & Beverage

19. Maximize Your Options: Select All Programs When you reach the question about which programs you're interested in servicing, be sure to **select all available options**.

Why? Because the industries you choose directly influence the client opportunities you'll be shown. If you limit your selections now, you may miss out on contracts that could be a great fit later.

By selecting all industries, you keep your options wide open giving yourself the flexibility to explore and choose from the full range of client programs.

Stay open. Stay ready.

The screenshot shows the Arise platform interface. At the top, there is a navigation bar with the Arise logo, a menu icon, and links for 'Help' and 'Log out'. Below the navigation bar, there are two images: on the left, a wooden shelf with various items, and on the right, a man sitting on a couch talking on a phone. In the center, there is a section titled 'Which program area(s) are you most interested in servicing?'. Below this title is a list of 14 program areas, each with a green checkmark icon to its left, indicating that all options are selected. The program areas are: Automotive / Roadside Assistance, Consumer Goods, Cryptocurrency, Finance & Insurance, Food & Beverage, Gaming, General Customer Service Support, Home Services (Internet/WiFi, Utilities, Cable/Streaming Services, etc), Media / Entertainment, Medical / Healthcare, Real Estate, Retail, and Technology (Software & I.T. Support).

20. What to Expect Next in the Harver Assessment: You'll complete the following sections:

• *Situational Judgment* • *Personality Print* • *Logical Reasoning* • *Language Test* – includes two parts: ◦ Vocabulary ◦ Grammar

Once all sections are complete, you'll have the chance to provide feedback on your experience. After that, simply **close the Harver window** in your browser to finish up.

Thank you for your interest in the Arise® Platform!

You've successfully completed your assessment. To find out if you have been successful please close this window and continue the Enrollment process within the Arise Portal.

How was the application process?

The agreement states that Arise and You want to establish terms governing the use and protection of Confidential Information (as defined in Section 1 below) You may receive on or through the Arise® Platform or otherwise from Arise. NOW THEREFORE, in consideration of the foregoing and the mutual promises and covenants set forth herein, and other good and valuable consideration, the adequacy of which is hereby acknowledged, You and Arise agree as follows:

- The term "Confidential Information" means all information, materials, documentation and data furnished to You on or through the Arise® Platform or disclosed to You by or on behalf of Arise or any client that receives customer care services through the Arise® Platform (each a "Client"), whether in oral, written, graphic or machine-readable form, including but not limited to, Client Information, Personal Data, intellectual property, marketing plans, login codes and passwords, statements of work, procedures, processes, business plans, contacts and other business and technical information.

The term "Client Information" means any and all information provided by or on behalf of a Client, or a customer of a Client, to You during the term of this agreement, or which is otherwise deduced, provided or developed by You therefrom, in whatever form.

The term "Personal Data" means any information that relates to or describes an individual or household, including any data that is linked or linkable to an individual or household that You receive, access, process, store, or transmit through the Arise® Platform or otherwise for or on behalf of Arise or any Client, including but not limited to an individual's bank account number, social security
